Join Moonwood's Team for the 6th Annual Hope Run/Walk - A Powerful Statement to #End1in10

HUNTINGTON BEACH, Calif., October 26, 2023 — On Sunday, April 21, 2024, from 7 a.m. to 9 a.m., an event of profound significance unfolds as the 6th Annual Journey to Heal Ministries 1.5-Mile Hope Run/Walk commences. Taking place in the heart of Huntington Beach, Moonwood Coffee Shop, at 10178 Adams Ave. HB, CA 92648, this event serves as a beacon of hope during the month of #SAAM (Sexual Assault Awareness Month). Moonwood, a stalwart advocate of the #moonwoodmovement, invites individuals to be part of this inspiring journey.

The statistics are sobering: every 68 seconds, someone in America experiences sexual assault, with a child affected every 9 minutes. Shockingly, without change, 1 in 10 children will endure sexual abuse before turning 18. The Hope Run/Walk is more than a race; it's a powerful statement to #End1in10. Participants in this event will not only propel themselves forward but will also raise crucial awareness and provide much-needed support to survivors.

Participants have the unique opportunity to join the #MoonwoodMovement Team for the Hope Run/Walk and enter to win a remarkable \$500 coffee giveaway. To secure your spot, register as a virtual participant and choose the "JOIN A TEAM" option at checkout, ensuring you select the Moonwood Movement Team to embark on this transformative journey.

Moonwood is deeply committed to raising awareness and establishing a robust support system for victims of child sex abuse. Co-owners Alecia and Bernadette passionately advocate for education on childhood indicators of abuse, pathways within the justice system, and vital resources for survivors and their families. Rooted in the empowerment of survivors, Moonwood strives to equip them with tools for self-discovery and independence, aiming to revolutionize the community's approach to child sex abuse. The symbolism of the woods as a sanctuary underscores their broader mission to foster a nurturing environment where survivors can acquire skills and embark on their healing journey.

Join us on April 21, 2024, to make a difference and be a part of this transformative journey with Moonwood. Together, we can #End1in10 and bring hope to survivors of sexual abuse.

LOCATION IS 10178 ADAMS AVE, HUNTINGTON BEACH, 92646.
